EDITOR'S LETTER

Now we've flicked the bird at the rest of Europe we can settle back and do the things we're best at – like watching our political parties tear themselves apart and getting kicked out of football tournaments sooner (the Irelands, England) or later (Wales)! Luckily one thing we're also good at is assembling a load of stunners to take their clothes off in *Mayfair*, so without any further guff from me, here they are!

KIMMY THRILL!

Dear *Mayfair,*
One Friday night last month, I was pissed off when my boss asked me (or rather, told me) to stay late at the office and finish some work. The place was empty and still by the time I finally finished up and I was aware that all my mates had been out on the town for a good couple of hours, so I would have to play catch up as soon as I hit the pub.

Gasping for a pint, I headed to our local, knowing that by this time on a Friday night it would already be packed out, but hoping that the boys would have got us a table or two, as I was pretty knackered. No such luck, however, and I found myself stood at the bar trying to get served for ages before finding our group loitering near the unused dartboard.

Arriving to a cacophony of boos and lurid comments, I knew the guys were already the worse for wear and braced myself for the usual torrent of abuse reserved for the last to appear on a drunken night out. They didn't disappoint and although only in jest, by the time I'd finished my first pint, I'd almost had enough of their pissed-up jibes.

Heading back to the bar to get a tequila shot that I'd promised myself after a hard week, I found myself drumming my fingers on the counter as I waited to be served. And that was when a really cute redhead appeared next to me. Funnily enough, I felt myself perk up instantly!

> "SHE SLID UP HER TIGHT SKIRT, PULLED HER UNDERWEAR TO ONE SIDE AND STOOD OVER ME..."

We swapped quick smiles as she sidled up, then, as we waited I started in with the small talk – you know, a comment about the wait to get served, a laugh about jumping over the bar with impatience any minute, you get the idea. At first I wasn't thinking about pulling her – yes, she was gorgeous but I figured she would be attached and just exchanging pleasantries – but when I heard her say, "Oh, I love a good suit... Is that a Paul Smith?" I knew I was in with a chance!

When it was finally my turn, I got us a drink each, as well as a couple of shots, which we downed immediately. Chinking our glasses, I finally got a good look at her: long flowing strawberry blonde hair with piercing green eyes and full red lips. She was a stunner!

Chatting away, we flirted with each other – subtly at first, but more blatantly as we consumed more alcohol – until it was fairly obvious that there was a sexual spark between us. Kimmy, as I found out she was called, was very tactile, touching my arm continuously and making a lot of eye contact.

Not one to normally make assumptions, I was fairly confident that we'd end up going home together, but I wasn't really prepared for what she suggested next. The bar had gotten so busy that we were pushed together, standing close enough for our bodies to make contact, when she leant in to my ear and, kissing my neck, suggested that we disappear to the toilets and "have some fun".

I hesitated for what all of a millisecond before hooking my finger under her chin and going in for a snog. Her lips were soft and she tasted delicious – and if I

BREAKFAST ON TIFFANY'S...

Dear *Mayfair,*
I don't know how on Earth you manage such a high standard month after month! Your girls just get better and better – for example your latest issue 51.07... well, where do I start? I guess with lovely Kara and the super sexy Cecelia, I guess – what a couple of beauties. But for me the real cock stiffener was Tiffany! That photo of her kneeling on page 17 with her fanny lips on full show – well, a bloke could spend all day licking and nibbling at those without getting tired! How I'd love to see (and feel) those lips gripping my cock!

Let's have plenty more of Tiffany, please, and all those other delectable beauties you manage to unearth every issue!

KNOCKERS DELIGHT!

Dear *Mayfair*,
As a self-confessed boob man, I was thrilled to see so many fine pairs getting an airing in your 51.07! Special mention has to go to Zara Mae for her gloriously rounded orbs (just imagine pushing them together and sliding your old chap between them!) and Tiffany James (likewise!), but for me the real highlights were to follow, firstly in the wonderful pairing of Donna and Chessie, who are clearly obsessed with boobs themselves, if the pictures on page 34 are anything to go by, and then there's the magnificent Katie Thornton to add riches upon riches! Finally there's the spectacular Marie with her long golden plaits and some of the most magnificent knockers I've seen in many a moon! I don't remember having seen her in Mayfair before, but I certainly hope I'll be seeing her again. Cracking issue guys – thanks for the mammaries!
Frank, Hemel Hempstead.

hadn't been sure about fucking in my local's bog before, I certainly was now!

We decided that I should go first so as not to attract suspicion – though the bar was so packed nobody would've noticed if we'd just got it on there and then – so I made my way to the small cupboard-like facilities and locked myself in. A few seconds later, Kimmy followed and as soon as I opened the door to her, she was all over me, kissing and biting my neck, like a woman possessed!

I followed her lead, frantically pulling my trousers down and whipping my cock out, closing my eyes for a moment as she wanked my prick to full hardness before pushing me back on to the toilet seat. Then she slid up her tight skirt, pulled her underwear to one side and stood over me, angling herself perfectly above my jutting member. With one smooth movement, she lowered herself down on me, slowly taking every inch of my rock hard cock inside her slick cunt. She felt so fucking tight; it was a relief that I didn't blow my load instantly!

Soon she was bouncing up and down on me, her big tits flopping out of her top as she did. I grabbed onto one of her hard nipples and pinched it as she continued to ride my stiff prick, trying her best not to moan! I felt her shudder as she orgasmed, burying her head in my neck as her juices ran down over my balls.

I waited for her breathing to regulate again before telling her to stand up, turn around and bend over, which she did enthusiastically, knowing what was coming. Parting her bumcheeks so I could see what I was doing, I pushed my wet dick back into her moist slit, relishing the feeling of her warmth enveloping me. Wrapping my hands around her waist, I started banging her hard, her body at the perfect angle to swallow every inch of my cock. Every now and again she'd let out cute little whimpers as I pummelled into her fast and deep.

I knew I was close, so pulling out of her, I told her to turn around and get on her knees. She obliged and, as I slid my cock between her lips and pushed my way in, she fondled my balls – and that did it! Spunk erupted from my helmet and I grabbed her head, rubbing my swollen dick over her tongue, pumping her mouth until I was completely finished. I was half expecting her to spit my salty jizz into the loo, but she swallowed the lot – even smacking her lips afterwards to punctuate it!

We both quickly straightened our clothes and waited until the coast was clear before we made our exit. I thought she might well do a disappearing act on me now that she'd gotten what she wanted, but she didn't, instead suggesting we head back to my place to continue the fun. And who was I to argue? I've never hailed a cab so quickly! I've been seeing Kimmy ever since that night and she's a fricking vixen in the bedroom – and the pub toilet, for that matter!
Jonah, Bradford.

DREAM ANNIE WILL DO!

Dear *Mayfair*,
The pictures of Tiffany in your last issue brought back pleasant memories of a red hot sex session I experienced with my mate Gary's step mum Annie, a couple of months ago.

I'm 20 years old and one evening I'd gone round to Gary's house. After ringing the doorbell three times I was about to give up when suddenly the door flew open

Mia Sol has a name that puts you in mind of something you might want to slip into the hand luggage and take on holiday with you, hasn't she? And to be honest, we could think of a lot worse ideas than carting her off for a week or two in the sun – or even a crappy, rain-drenched 'staycation' in these isles!

"I'll have you know that some of my finest holiday memories are from the UK!" she butts in. "After all, you don't need great weather to have a good time when you're in the right company!"

Well if you want to prove it, we'll give it a try!

Continued from page 5

and my jaw dropped when I saw Annie standing in the doorway wearing just a cropped white vest and a black leather miniskirt.

Annie is in her early 30s, with flowing blonde hair and a flawless busty figure – all in all not a million miles away from Tiffany!

Apologising for taking so long to answer the door, she told me that Gary was out with his dad and explained that she'd been upstairs trying on some new clothes. As I turned to go, Annie surprised me by asking me in. I gladly accepted and, as I followed her into the living room, my cock stirred and grew hard in my jeans as I eyed up her tanned legs and her cute bottom pushing against her tight little skirt.

"I see you like my slutty outfit," Annie said with a knowing smile as she stared at the swelling in the front of my trousers.

Without thinking, I suddenly blurted out, "Annie, is there any room for panties under your skirt?"

Annie looked at me with a saucy smirk on her pretty face. "Naughty boy," she grinned, stepping closer and rubbing her hand over my bulge. "Why don't you stick a hand up there and find out for yourself while I see how big and hard your cock is."

Before I could catch my breath Annie had lifted off her skimpy top, letting her ample tits spill free. "I guess you want to see these, too," she purred. Next she took off my T-shirt and ran her hands over my chest before undoing my flies and pulling my hard, swollen cock out.

As Annie stroked her fingers over my straining shaft and fondled my balls, I slid my hands up the insides of her firm thighs and under her teasing miniskirt. As I suspected, Annie wasn't wearing any knickers – the filthy slut! She giggled as I squeezed and fondled her tight bumcheeks and rubbed my hand over her hot, shaven pussy.

"Oh yes," sighed sweet Annie, "that feels so good."

She gasped with pleasure as I plunged a couple of fingers deep inside her wet, fleshy hole. "Make me come. Please make me come, you dirty little bastard," she moaned as I urgently stroked her clit with my thumb and finger fucked her juicy cunt.

Seconds later, Annie screamed in pure pleasure, throwing her head back as a massive orgasm pulsed through her body. Her girlie juice gushed from her pussy, drenching my hand in her sex oil.

As her climax faded, Annie got down on her knees in front of me and dragged her warm, wet tongue up and down my throbbing cock. Enveloping her lips around its swollen purple helmet, Annie took my length into her mouth and massaged my spunk packed balls. I barely lasted two minutes, and as Annie eagerly wanked me into her filthy mouth I grunted in pleasure, my cock erupting and spilling a hot, full load of sticky come down her throat. She pulled my dick out of her mouth and more spunk splashed over her pretty face and suckable tits – some of it even landed in her hair.

> "AS ANNIE STROKED MY SHAFT AND FONDLED MY BALLS I SLID MY HANDS UNDER HER MINISKIRT."

"Lovely," purred Annie as she swallowed my cock cream. Looking up at me with a contented smile on her face, she scooped my filmy semen off her skin and licked it off her fingers. Watching her eat my spunk got me rock hard again and she rose to her feet. "Take my new miniskirt off for me, babe," she said. "I don't want your spunk all over it when you fuck me."

She giggled as I quickly unzipped her raunchy skirt, letting it slide down her legs. Completely naked, Annie bent herself over the arm of her burgundy leather sofa, spreading her legs wide open and pushing her pert, round bottom up in the air. Getting in behind her, I nudged the tip of my cock against her slippery pussy lips.

"Slide it in," murmured Annie. "Get your big dirty cock up my tight cunt and fuck me like a filthy slut," begged my mate's tarty step mum.

Annie moaned in delight when I eased my thick, veiny shaft all the way inside her shaven, pink slit and started to pump my cock in and out of her hot, juicy hole.

"Do it to me harder," pleaded Annie. "I'm a dirty, filthy whore who needs a good hard fucking," she gasped as I screwed her. I upped the pace and pulled her back onto my dick, my balls slapping against her firm buttocks as I pistoned my shaft in and out of her tight, sodden fanny. Annie wailed in delirium as I reached between her legs and stroked her clit, my cock pummelling her pussy.

After a few minutes of shafting her hard, I reached my limit and grunted as my cock twitched up her hole and fired a thick wad of hot spunk deep inside Annie's juiced up cunt, making her squeal with pure pleasure.

"Aah, fuck," whimpered Annie as my hot jizz filled her pussy.

So far, I haven't had the chance to have sex with her again, but here's hoping!

Gavin, Penrith.

CECILIA APPROVAL!

Dear *Mayfair*,
It's always a treat when you present a lovely new black model, and they don't come much lovelier than Cecelia in your new issue! Doesn't she look the part, with her stockings and suspenders? I don't think there are many finer sights on this planet than a gorgeous brown-skinned girl sporting white lingerie, and this set of photos was the perfect example!

I'm not sure what a girl has to do to appear on a cover, but surely looking like Cecilia on page 27 has got to come close! And what a stunning bum she's got, too – she clearly likes to show it off, posing with it in full display in half the pictures, give or take. I know what I'd like to give – and it definitely involves Cecelia and her firm little rump!

Darren, Leeds.

We're not sure what the score is with this set featuring the delectable Dani Daniels. Does the girl herself know what's going on?

"I think I'm meant to be some sort of Snow Queen, but to be honest I just like the hat, so that's why I'm doing it!"

Oh, a Snow Queen? So really we probably shouldn't be featuring this set in an issue that comes out in July, should we?

"Well given how cruddy the summer's been so far, I don't think it'd be too out of place! And besides, it'd be cruel to make your readers wait another five months to see this, wouldn't it?"

Two very fine points. Erm, in fact four very fine points!

OUR MAN IN PANAMERA!

Fancy getting your hands on a nice bit of Porsche? Then you could do a lot worse that the cracking new Panamera...

The Porsche Panamera re-wrote the rulebook when it was first launched back in 2009, marrying the two contrasting characteristics of sports car performance with the comfort that you would expect to find in a luxury saloon. After shifting over 150,000 units worldwide the second generation of the Panamera has finally been unveiled and, as you'd expect from Porsche, the new model has been refined down to the smallest detail. The engine and transmission has been completely redesigned, the chassis and suspension optimised, and the driver display and control interfaces reinterpreted for the future – yet it's available today!

The new Panamera also further extends the boundaries between the world of sports cars and that of luxury saloons, with technical dynamic highlights such as rear axle steering, active body roll compensation and innovative three-chamber air suspension. The car is also far more appealing on the eye than its predecessor, with chiseled and lean lines giving the new Panamera a visually more aggressive look. We could go on and on about how great the Panamera is but we haven't got all day so we'll just touch on the very best bits!

Starting off under the bonnet, there's a brand-new twin-turbo 4.0-litre V8 engine that generates a more than acceptable 550bhp. That's an improvement of more than 30bhp on the twin-turbo 4.8-litre engine that currently sits in the 2009 Panamera. As you'd expect from a car with such power it's obscenely quick too, racing to 60 mph in a terrifying 3.4 seconds. For the first time ever in a Porsche the engineers have wedged the turbochargers in the V of the engine, which allows for quicker throttle response and a lower centre of gravity.

This ludicrous speed isn't all down to what's under the hood though, the revolutionary new chassis plays just as important a part. Made mostly from aluminium, with the exception of high-strength steel in key structural areas, there are significant weight savings, allowing the Panamera to boast exceptional power-weight figures. The boffins at Porsche have even devised a clever way of bonding the aluminium and steel together by spinning screw-like fasteners at 6,000rpm so that the surrounding metals melt, forming a permanent bond.

We've already said that the 2017 Panamera is much prettier in person than its predecessor, and that's especially true from the rear three-quarter angle. There's a short flat surface at the tail below the rear glass, and the roofline over the rear of the passenger compartment has been dropped by an eighth of an inch. Coupled with new rear brake lights that are connected by an eye-catching light strip, these small detail changes don't sound like much but they make a dramatic impact on the car's overall appearance. The flared lips of the wheel arches give the car an even more powerful look from this viewing stance, housing colossal 20-inch alloy wheels.

> "IT'S THE REMODELLED INTERIOR DESIGN THAT'S QUITE POSSIBLY THE MOST EXCITING NEW FEATURE."

The high performance and exterior looks of the Panamera are great, but it's the remodelled interior design that is quite possibly the most exciting new feature. In many areas, touch-sensitive surfaces replace traditional hard keys, and high-resolution displays merge into the interior. Compared to the mess of buttons inside the first generation Panamera a sea of black plastic now greets occupants, at least until the car is turned on. Then, the Porsche Advanced Cockpit lights up. Driver information is displayed through two seven-inch digital displays sitting either side of the tachometer, which is the only remaining analogue instrument in the car. The gearshift console is now dominated by an iPad sized touch screen that houses the Porsche Communication Management system. Even the louvres of the central air vent are electrically adjusted by touch-sensitive sliders on the PCM. And just so the rear seat passengers don't feel left out they get their very own touch screen in the back allowing them to control their own micro environment.

There's not really much more that we can say – well actually we could, but we'd much rather let the stunning pictures of the Panamera do the rest of the talking for us!

"THERE ARE SIGNIFICANT WEIGHT SAVINGS, ALLOWING THE PANAMERA TO BOAST EXCEPTIONAL POWER-WEIGHT FIGURES."

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

A group of fathers are sitting around talking about their teenage daughters. One dad says, " I think my 16 year old is smoking; I found a empty cigarette pack under her bed."

All the other fathers groan in unison, "Oh no!"

Then a second dad says, "That's nothing. I found an empty bottle of alcohol under my 16 year old's bed."

All the other fathers wail in unison, "Oh dear!"

Then a third dad says, "Mine's worse than both of those combined: I went into my 16 year old daughter's room the other day and found a load of used condoms under her bed."

All the other fathers say in unison, "Jesus Christ!"

The third father replies, "Yeah, tell me about it. I didn't know she had a dick!"

Two friends die. One goes to Heaven and the other goes to Hell. The one that goes to Heaven begs the angel to let him visit his friend in Hell, and the angel agrees. He gets to Hell and sees his friend surrounded by beautiful women and alcohol everywhere. He says to his friend, "Wow, you were a son of a bitch when we were alive! Hell looks better than Heaven."

So the friend in Hell says, "Pour yourself a glass of wine." The heavenly friend pours the wine, and notices that the glass has no bottom.

The good friend looks at the bad one in confusion, and the bad friend says, "The glass has no bottom, and neither do the girls. Welcome to Hell."

Dylan is practicing his golf swing in his garden when he swings a little too hard and sends the ball through a neighbour's window. He runs over and rings the doorbell. After no one answers he opens the door to see broken glass everywhere, a lamp lying on the ground, and a huge fat Arabian man wearing a turban sitting on the couch.

Dylan asks, "Who are you?"

The fat man replies, "I am a genie you have freed from that lamp."

Astonished, Dylan asks, "Oh man, do I get three wishes?"

The genie replies, "Since you freed me by accident you only get two and I get one."

Dylan thinks about it and realises what he wanted, "I want to be the best golfer ever!"

Q. What did the cannibal do after he dumped his girlfriend?
A. Wipe his arse.

The surprised genie says, "You sure? Most people wish for money, but OK. Now your wife gets one wish."

Dylan brings over his wife who wishes right away, "I want a million dollars every week of my life."

The genie says, "Granted. And now for my wish, I have been cramped up in that lamp for many years so its been a while since I've been with a woman. I want one day of wild, crazy sex with your wife, Dylan."

Dylan says, "No way!"

The genie replies, "Not even for a million pounds a week?"

Dylan turns to his wife, who says, "I guess for all that, I should. Well, not until Dylan leaves."

Dylan says, "OK, have fun, I guess," and leaves. Dylan's wife then proceeds to have wild sex for the rest of the day with the genie. When they are finished, the genie puts his baggy trousers back on and asks how old she and her husband are.

"Thirty-two," she replies.

The Genie laughs and says, "aren't you a little old to be believing in genies?"

Q. Why is being in the army like a blow-job?
A. The closer you get to discharge, the better it gets.

My hot lesbian neighbours gave me a Rolex for my birthday. It's nice, but I think they misunderstood me when I said, "I really wanna watch."

A woman nervously seated herself in the psychiatrists office. "What seems to be the problem?" the doctor asked.

"Well, I, uh," she stammered, clearly embarrassed. "I think I, uh, might be a nymphomaniac."

"I see," he said. "It's not an uncommon complaint, and I think I can help you, but I must advise you before we start that my fee is £50 per hour. Would that be acceptable?"

"Yes, that OK," she replied, "but how much for the whole night

It's always a treat when we get to welcome a newcomer to the *Mayfair* family, and extending a hand (not to mention a tongue) of welcome to newbie Roxy Mendez is our very own Sophie Star, whom we managed to tease back into the studio for one final shoot before she buggered off down under for months with the promise that she'd get to spend a good bit of time down under Roxy! Cue some sort of beating around the bush gag, except Roxy doesn't really have one!

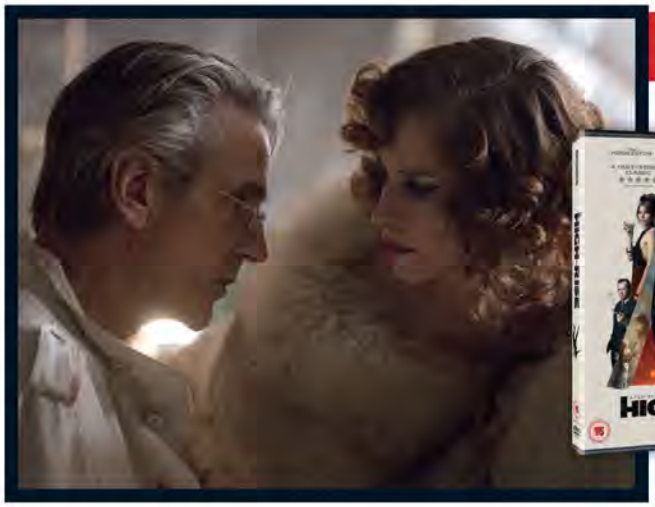
Scene from MAYFAIR

Two possibly future classics and an already nailed-on one much loved by students back in the mid-80s that's getting a welcome dusting down and sprucing up for our whopping new tellies!

HAIL, CAESAR!

Editor's PICK

Ethan and Joel Coen (yes, we know they're usually named the other way round, but drop capitals don't seem to like 'J's!) have produced some of the quirkiest and funniest Hollywood films to see the light of day in the last 20 years or so, and this latest offering will delight fans of their earlier work. Set in the 1950s, it stars Coen regular Josh Brolin as a studio fixer who's tasked with protecting the reputation of various errant stars and trying to keep film productions on time and budget, and George Clooney as movie star Baird Whitlock who, whilst starring as Caesar in a big budget epic, is drugged, kidnapped and held to ransom. Well, if that's not a pretty dandy sett-up for a movie I don't know what is, and the Coens lace the goings-on that follow with plenty of their customary gags and delights. And with a great supporting cast that includes Tilda Swinton, Ralph Feinnes and Scarlett Johansson, this is definitely worth 100 minutes of anyone's time!



HIGH RISE

And while we're on the subject of off-the-wall films, Brit Ben Wheatley's got a good bit of form as well, from Kill List to Sightseers and A Field In England, things are never quite completely in kilter in his films, and given that this one is based on a book by the generally skewed JG Ballard, it's a pretty safe bet that High Rise will be anything but formulaic…

Sure enough, the film, which stars man-of-the-moment Tom Hiddlestone as a doctor who's sitting on his tower block balcony and is tucking into a German Shepherd dog he's just cooked. Well, where can you go from there? Back, of course – three months to when the doctor first moves into the block and quickly realises that things there aren't all they might be. Sienna Miller, Man's Elizabeth Moss and Jeremy Irons are among the residents in the block, and the film is shot through with Wheatley's trademark black comedy.

HIGHLANDER

The third in our trio of flicks beginning with 'H' is a cult classic that inspires a particular devotion amongst its loyal fans, and it's getting a cracking new 4K restoration on account of it being – gasp! – 30 years old this year. How old does that make you feel?! Mind you, being pretty old is kind of the point of this one, given that it resolves around the ultimate showdown between a motley collection of immortals who have to fight to the death (which, of course, can only be inflicted by decapitation) in modern New York. Christopher Lambert plays the eponymous swordsman, Connor MacLeod, who's been wielding his broadsword for nigh on 500 years. Actual Scot Sean Connery, meanwhile, plays his Hispanic mentor Ramirez, while Clancy Brown plays their arch nemesis Victor. This remastered edition from Studio Canal freshens it all up a treat!

Lucy Zara caused quite a noticeable swelling in our postbag when she appeared back in the spring, so we thought we owed it to her, and you (ahem, and ourselves!) to ask her back for another squizz at her perfectly formed frame! And by way of thanks, she's only gone and dolled herself up in sussies for us. Really, if she keeps this up, we reckon we might just have to ask her back again before too many moons have passed...

CRUISE CONTROL

★★★★★

Editor's PICK

CAST: Carter Cruise, Asa Akira, Aden Ashley.

Carter Cruise is, if the little monologue she gives at the start of this feature is anything to go by, quite the dirty flamper. She gives us a little insight into her sexual history (she was a virgin once, apparently) that ends up with her getting a serious kink for BDSM stuff and getting herself into pretty extreme situations. All this, mind, while she's got her baseball cap is on the wrong way round! In any event, the chat soon winds up and then lo – Asa Akira is led on stage by a leash round her neck and, along with the stud, the three of them get down to some pretty intense action. There are some cracking positions adopted along the way, with the girls quite clearly into every second of it. They both take an anal drilling, and the jammy woodsman really makes the most of things before the girls tease his load out.

There's some very slurpy G/G action with Aden next, before Carter takes centre stage in the last two scenes, taking on first one and then two cocks like she really means it. Blistering stuff.

★★★★☆

Digital Playground

SEX MACHINA

CAST: Aria Alexander, Eva Lovia, Mia Lelani, Hat Dior, Jayden Cole.

If it feels like we've only recently run a review of a bongo version of *Ex Machina* that's because we have – *Sexbots* from Wicked Pictures two issues ago. Well Digital Playground have now jumped on board, and to be fair they bagged the better title, and while they might not have Asa Akira fucking people to death, they've certainly got a comely selection of flampers to take on the role of sex-crazed androids!

Ryan Ryder plays Caleb, the dweeb who wins a week at Alec Knight's not overly technological sex research ranch, and, having been welcomed by Mia Lelani he's soon getting the personal treatment. She makes some great gobbling noises as she slobbers on his pole, and seems to really get off in the shafting he dishes out afterwards. And as if he weren't turned-on enough, next morning lezbots Eva and Jayden put on a show for him. After that there are plenty more cracking scenes, and, well, a neat twist in the tail ensures a slightly happier finish than the original flick gave us.

Harmony

SUMMER FUCKING

CAST: Lea Guerlin, Blondie Fesser, Abril Gerald, Lynna Nilsson, Ava Courcelles, Kira Queen.

Plenty of names on the cast list that were new to me, but then this is clearly one of Harmony's pervy trips to Brazil going down, and to be fair, we cut straight to the chase, with Lea reclining by the pool fingering her hairless flange until an almost equally hairless stud pitches up and she sets to sucking off his pole. She really looks the part, too, slurping away on his meat until she flips round and offers her pussy up to him doggy style. Thereafter they work their way through the standard repertoire before he splashes off over her snizz, both of them looking pretty well pleased with their day's work.

★★★☆☆

There's more of the same from the stunning looking Blondie next - no preamble at all as her and her fella set about each other's bits and pieces with gusto. And although her rump looks sensational as she rides him cowgirl, there's nothing to really lift this scene out of the ordinary – but then hey, maybe I've seen too many bongo flicks to fully appreciate the simpler pleasures in life!

Comely Kira Queen's next up, and then to break things up there's a bit of lesbiage, in what turns out to be quite a classy little pairing, before we back outdoors for a final B/G boning. All satisfactory enough, but nothing more than the sum of its parts, sadly.

KATHRYN

Age: 27 **Vital Stats:** 33C-24-34 5'8"
Photographer: Twistys

We're not altogether sure why *MF* newbie Kathryn's decided to plonk herself in the sort of armchair you might find gracing the day room of an old people's home, but she certainly looks better on it than your typical resident! And if we had to while a few hours with her before tea time, we'd probably go for something a bit livelier than a beetle drive...

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

Getting married quite suddenly in my mid-twenties seemed like the right thing to do at the time. When I first met my husband he was earning plenty of money and in the beginning he had only one care; me. However, as his workload increased, he spent less time with me and I spent more time sat at home on my own. Even worse, the amazing sex life we'd had ground to a halt. We used to fuck for hours in all positions, all over the house, but after a couple of years he would only really be up for it when he came in drunk after a night out with his mates. I suspected that he had begun to see people behind my back and the day my suspicions were confirmed by a good friend of his late last year, was the day I left.

Since then I've been living with my sister while the divorce is going through, which has been a blessing in one sense, though my chances of meeting new men have been reduced since I spend so much time looking after her kids in return for her help. She's a divorcee too, and I was beginning to worry that we'd both end up living together forever, without getting any. As much as I love my sister, starting my new job as a dental receptionist was a lifesaver as I immediately had a chance to go out with some new people. One of the women I work with is in her early forties and she invited me over to her house for dinner the second week I was there.

My loins howled at the moon when she introduced me to her 22-year-old son Tom. He was really athletic looking and I couldn't help looking at his toned arms and stomach. He seemed to be just as interested in me and stayed up late with us both for a few drinks.

As I got up to leave, Danielle insisted that Tom walked me to the taxi rank, as it would be quicker than phoning up and ordering one. Whilst we walked he kept insisting that he couldn't believe how good I looked for my age, and that my husband was mad to divorce me. Flattered, I playfully slapped his arm, telling him not to be so silly. He put his arm around me to steady me slightly, pulling me closer. My heart was beating double time, but I allowed him to leave his arm there, going a little quiet in anticipation.

I don't know what came over me but my natural instinct told me to put my arm around him, and within seconds he had swung me round and we were kissing each other wildly. His hands were instantly groping my chest, as he ground his pelvis against mine, letting me know how aroused he was with the bulge of his dick pressed into me. Once we had stopped for breath, he said saucily, "Can I come back to yours?"

I smiled but shook my head, as if to say, 'We can't, can we?'

He didn't have to persist for long though, as the next minute we were in a cab together, with him on the phone to his mum.

By the time we got back, my sister and her kids were in bed, and we were sneaking around like naughty school kids. As I tried to fill the kettle, his hands were all over my backside, lifting up my skirt. Then he dragged my pants down over my arse, leaving me just in my stockings and suspenders. Pressing me against the kitchen counter, he ran his finger down the crack of my bum, until he found the entrance to my pussy. Instantly slipping a finger deep inside me, I struggled to catch my breath as his other hand cupped my left breast.

> "DROPPING TO HIS KNEES, HE BURIED HIS FACE INTO MY MOUND, CRANING HIS NECK TO TEASE MY CLIT"

I was soon standing with my legs apart as he fingered my pussy. Then, yanking my top off, he began to kiss and bite gently all over my back. The sensation was incredible, I hadn't felt this excited in years. Dropping to his knees, he then buried his face into my mound from behind, craning his neck to tease my clit with his tongue. Turning around and slipping backwards underneath me, he was now sitting between my legs and I was holding the back of his head as his mouth went to work on my hole. Using his hands to part my lips, he took long loving strokes with his tongue, looking up at me as he did it each time. The attention he was paying my pussy was something I had never experienced, and my mind was racing with thoughts of what I had been missing out on all this time.

I was soon distracted, however, by him standing up, cock in hand, and whispering 'Make my dick feel good,' into my ear. I didn't need asking twice to drop to my knees and, taking his shaft firmly in my grasp, I began to work my tongue around and under his foreskin. He took hold of my hair, as my lips sunk over his bell-end, and I allowed him to drive his dick into my mouth. Wanting to do anything he wished, I then let him keep hold of my hair and

push my head back and forth, deep-throating it.

Soon I was sucking his balls, before lifting them up to lick at his arsehole, and all the time tossing his dick off with my free hand. He'd obviously heard that older women were better in bed and I didn't want to prove him otherwise!

I knew he would be ready to come soon and my quim was still aching from the licking he had given it. Grabbing his T-shirt, I dragged him down and lay him flat on his back on the kitchen lino. Mounting him, so my arse was in full view of him, I sank down onto his pole in reverse cowgirl position. Placing my hands on his firm, muscular thighs, I then began to fuck him as slowly as possible, just enjoying the sensation of his length sliding in and out of my wet pussy. Desperate to keep things as dirty as possible, his finger was soon foraging its way into my anus, until he was knuckle deep inside. I hadn't had dirty sex like this for years and instantly realised what I wanted even more.

Rising up off him, I fell forward on to my knees, grazing them slightly on the hard floor. As he positioned himself behind me, desperate to get back inside, I reached back around and pushed my arse-cheeks apart.

"Fucking hell," he murmured. It was obvious that he'd never done anal before.

"Fuck my arse," I teased, as he nervously edged his dick into my bum-hole. "Push your dick inside," I continued breathlessly, as my sphincter relaxed, allowing access. After a few tentative thrusts, he was soon into his rhythm, holding my hips and driving his cock in and out of my hole. My arse was so tight around his prick that I could hear his breath quicken almost immediately. Knowing he wouldn't last long, I frigged my clit hard urging him to "Give me all your come!"

About a second later, he let out a huge grunt and the first jet of his spunk shot into my arse. This brought on my own climax, and as I felt the first wave of pleasure wash over my body, I commanded him to pull out. Dragging it out immediately, I felt more spunk hit the crack of my arse. He then proceeded to slap his dick against my cheeks, drenching them in jizz. The intensity of my own orgasm was insane by this point, and I was fully flat on the floor, face down and spread eagled, as I shuddered with every sensation. My knees burned slightly and my breasts were squashed out against the cold lino, but it just felt so good. Then turning me on my back he began to lick hungrily at every part of my upper body.

"You are so fucking horny," he sputtered, clearly up for more. And for once in a very long while, so was I!

"I BEGAN TO FUCK HIM AS SLOWLY AS POSSIBLE, ENJOYING THE SENSATION OF HIS LENGTH SLIDING IN AND OUT OF MY WET PUSSY."

I know this might sound unusual, but I'm a 28-year-old female and I simply love your magazine! I've been buying it for a few years, after finding my then boyfriend's stash of mags. *Mayfair* was the only one that stood out to me and, when we broke up, I found myself going out and buying my own copy every month! I do get the odd raised eyebrow in the newsagents, but there's something about holding actual pictures of the girls that I don't get from looking at stuff on the internet.

Being quite a studious (for studious, see shy!) person, I never ever thought I'd have an experience like the ones I read about in Quest – I always think the girls sound so adventurous and forthright, the exact opposite of myself! However, that all changed last month when I went out for a shopping trip in town, and ended up having an encounter that blew my mind!

As well as looking around most of my favourite shops, trying on anything that took my fancy, I had made an appointment to have a bra fitting in a little lingerie boutique I know. I'm kind of a regular in there: I adore their underwear, the quality of their sexy pieces is exceptional and I like that they aren't well-known yet, so hardly anybody else is wearing their brand. I have gotten to know the staff relatively well – by sight, anyway – but on my last visit I could've sworn one of the salesgirls was flirting with me! I've never been into girls, but for the next couple of days I couldn't help the sexual scenarios playing through my head. By the time I headed in for my fitting, however, I had pushed all such thoughts from my mind.

When I entered the boutique that day, though, I was secretly hoping that she'd serve me – and someone was obviously listening, as her pretty face was the first that greeted me. After a bit of small talk, she ushered me through to the private area out the back that was reserved for fittings and, catching my eye and smiling in an unmistakably seductive fashion, asked me to remove my top so she could measure me.

As I took my jumper and strappy top off and she busied herself with samples, I studied her. She was about my age, with lovely creamy skin and a short blonde bob, her slim figure accentuated by the blouse and high-waisted skirt she wore. She chatted away in a friendly fashion as she asked me to lift my arms, but as she pulled the tape measure

under my bust, there was an unmistakable sexual tension in the air. I wasn't listening to a word she was saying, all I could think about was her delicate hands on my naked torso. And when her hand brushed my nipple, sending shockwaves through my body, I let out the tiniest involuntary gasp, surprised at my own reaction to this girl's touch.

Throwing the tape around the fullness of my boobs, she was slightly firmer this time, causing my nipples to harden and my breath become stuck in my throat. She took her time before announcing my bra size, then said that she'd sorted out some of their latest stock for me to try on.

I thought she'd leave me to it but she didn't, instead she handed me the first of an array of garments, which was a basque, and helped me slip the beautiful lingerie on. I could feel the heat from her in the enclosed space of the booth as she slid around behind me, her hands

making short work of the hook and eye fasteners down my back.

In the stillness of the booth I could hear her ragged breathing and my pussy twitched and dampened with each second she was close. At that instant, what I'd so desperately hoped for happened, and I felt her touch me - her fingers trailing over my gently over my back and caressing my tingling skin. I closed my eyes, took a long deep breath, and turned around, tentatively brushing a strand of hair away from her sweet face.

She met my eyes, her tongue flicking salaciously over her full, succulent lips and I melted, the tingling in my crotch now a full-on throbbing. I leant forward and brushed my lips against hers softly and she responded, locking her mouth on mine and pushing her tongue into my mouth. We kissed passionately, our hands wandering and squeezing the other's form as lust took over.

Then without warning, she dropped to her knees, still so close that her mouth was literally only a few inches from my silk-encased fanny, and I could feel her warm breath dancing across the skin of my upper thighs. The juices welled up inside my pussy and my breathing got faster and more irregular as she pulled my sticky pants halfway down my tanned legs. Her breath blew gently over my flesh as she massaged my inner thighs, maddening me with desire.

Licking at my swollen labia tentatively at first, she was soon lapping away and I groaned, despite trying to stay silent. I pushed my shaven groin forward against her probing tongue, causing the tip of her nose to firmly impact with my erect clitoris, the peaking of each wonderful new sensation driving me towards a truly almighty orgasm.

The blood pounded in my ears and I whimpered, my climax shaking me from head to toe in an earth-shattering crescendo of bliss. My clit throbbed as my spasming vaginal muscles spat my secretions over the sales assistant's lovely upturned face.

Suddenly, we heard movement towards the shop front. "Is everything all right in there?" another female staff member called. She had only to draw the curtain aside and we would be found out. The girl wiped my juices from her face frantically and stood up so fast she lost her balance and grabbed my elbows for support.

"We're fine, thanks Julie! Out in a minute!" She responded, straightening up and dusting herself down, our moment lost.

Naturally, I bought the basque that I tried on – if only because it was somewhat, ahem, soiled by the time we were done! I've been in to the boutique since, but the girl hasn't been in there since. Part of me wonders if we'll ever have a repeat performance, but even if we don't, at least I now have a great story to write in to my favourite magazine with! I hope you print it!

Having a city job means putting in long hours in the office and any time I get to socialise I regard as precious. So when my friend, who's a secondary school teacher, invited me out for a night on the tiles with her colleagues, I jumped at the chance. I came straight from work and met her in the pub where I stuck out like a sore thumb as I was clearly the most smartly dressed in there – especially in comparison to her friends from work! Nonetheless, after a couple of drinks I began to relax and her friends made me feel really welcome. One guy in particular, whom I soon discovered was the P.E. teacher, insisted on buying me drinks, quizzing me about my work and lifestyle. At one point my friend, Anita, let me know that he was the biggest flirt in school and that I should watch him. However, I was in too deep by that time myself, teasing him outrageously and letting him know that I was up for some fun.

As the conversation became more intense and we began to ignore the rest of the group, he started telling me how much he loves women who 'power dress' as he insisted on calling it. "I bet the guys at work can't take their eyes off you," he confidently said.

"Oh, all the women dress like this," I replied, brushing it off casually. "I'd love to come and visit you at work one day, then!" he whispered in my ear. Continuing in hushed tones he said, "I'd like to come and see you at home even more." My pussy tingled so much.

Not wanting my friend to suspect anything,

> "MY NIPPLES HAD STIFFENED INSTANTLY, AND HE WAS RUBBING THEM THROUGH MY JACKET."

I made my excuses and left alone, before waiting in my car like a naughty teenager hiding from their parents. He kept me waiting for twenty minutes, by then my excitement was at boiling point.

Driving back was excruciating, I tried to keep my eyes on the road, whilst his eyes roamed my body and his hands edged my skirt back. Working it back over the top of my thigh, he revealed my suspenders, which sent him into raptures. "Oh my god, that looks so fucking horny," he said, exhaling hard to keep his composure. "Every woman should wear them."

We literally half-jogged down my drive and, fumbling frantically for my key, I desperately struggled to keep my hand still at the door, with his marauding hands all over my body.

My nipples had stiffened instantly and he was rubbing them through the material of my jacket. Staggering inside together,

I could feel his erect dick pushing hard against my arse, as he began to undo the buttons, and soon had one hand inside groping for my breast.

I knew he was unbelievably turned on and decided I was going to make him wait for what he wanted.

"Get on the sofa," I ordered, to which he dutifully responded. Seeing him sitting on my brand new sofa in his tatty old rugby shirt looked strange to say the least, so I asked him to take it off. I'm glad I did, as he revealed

his muscular torso, and a toned six-pack.

I felt a slight tug in the pit of my stomach, excited at the prospect of getting hold of him myself, then I really went to work.

"Just lay back and enjoy the view," I instructed saucily and turned away from him, hitching my skirt up with both hands. As I felt the curve of my exposed bum with my fingertips, I looked over my shoulder to find he already, unashamedly had his dick in his hand, stroking it and staring intently at me. I carried on peeling my clothes off slowly, until I was crawling over the ornate sofa opposite to him, with just my basque and suspenders on. Removing even more until I was wearing just stockings and high heels,

I then arched my back, raising my arse up, showing off my neatly trimmed mound. Performing for him was turning me on more than I could have ever possibly imagined.

He obviously couldn't take any more and at the sight of this was over to me in a flash, getting down on his knees and taking my round bum cheeks firmly in his strong hands. Instantly his face was between my legs, licking at my slit with long luxurious strokes. I parted my legs slightly and his tongue foraged as deep as it could go into my cunt. My thighs were trembling with pleasure against his face, as he nuzzled in further, French kissing my pussy with his open mouth. He then ran his tongue upwards to my tight anus and flicked at it making my sphincter twitch uncontrollably.

I was loving every minute of it, pushing my pussy against his face as he devoured it, covering me with his saliva. I was incredibly wet and was dying for his dick, which I could feel all the time brushing around my knees.

"Fuck me," I breathlessly begged, and rising to his feet, he positioned himself behind me and then nudged his fat cock against my labia.

"You want to be fucked by a bit of rough, don't you?" he taunted, half-aggressively. Powerless to deny it, I replied with equal provocation, "Yeah – so you'd better fuck me hard. I know you're desperate to shag someone like me aren't you?"

I was never usually this brazen, but it seemed so right to behave like a total and utter whore.

Taking a fistful of my hair, and placing one hand on the base of my spine, he drove his cock deep inside me, letting out a moan of pleasure as soon as he was fully in. There was no holding him back, as he pumped away inside my sopping snatch, spanking my bum with every thrust. Reaching around he took hold of my breasts and leaned over me until he could grunt filthy talk into my ear. "You're such a dirty, horny slut," he kept saying, which was turning me on like mad, and I, in turn, repeated, "Make me fucking come with your big, stiff dick."

I was receiving such a pounding that I was desperately holding on to the arm of the sofa whilst he rhythmically sunk in and out without missing a beat. My whole body had gone numb with pleasure and I was soon frigging my own clit hard with two fingers. Totally lost in each other, I could feel him kissing and gently biting the base of my neck, as he continually fucked me without even the slightest pause. It felt so animalistic that my orgasm suddenly overwhelmed me and my eyes glazed with the sensation. My thighs shaking and my cunt wet with my own juice, all I could feel was his thick shaft deep inside me, as I climaxed heavily. My boobs were dripping with sweat, and his hands were squeezing them together, as he continued to fill me up.

Content and warm, I wanted him to feel incredible too, so I leant forward until the head of his prick slipped out of me. Turning myself over onto my back, I cupped my tits and ordered him to, "Come all over me." He responded by tossing himself off furiously above my chest. I was feeling dirtier than ever and opened my mouth wide, panting, "I'm ready for your spunk," which he delivered almost instantly. The first jet hit my mouth and I took it on my tongue swallowing it down and licking my lips, followed by the rest of it sprayed over my neck and tits. Pushing my breasts together again and arching my back, I watched with delight as his face contorted with ecstasy. Reaching forward, I dug my manicured nails gently into his toned body, as it shuddered under my touch. All his muscles had tightened and he was glistening with sweat, as he shook his last drop of jizz from the tip of his dick, covering my tits.

"Mmmmm," I purred, and taking his cock in my hand I gently sucked him off till he stopped moaning. "I love your cock," I said, "It filled me right up!"

Collapsing on top of me, spent, I wrapped my legs around him and we lay there kissing passionately, as our bodies, slick from juices and sweat, writhed together. The sofa was a total mess, and was covered in mud from the shoes that he was still wearing, as he hadn't even taken his trousers from around his ankles – we had been so eager to fuck each other! He was certainly more fun than most of the rich city guys who have been back here and I'm pretty sure I managed to fulfil his obvious fantasy for a dirty businesswoman, too. Don't you think?

BETACAR

Like a Rolling Stone? *Mayfair* centregirl Stephanie Bews would have done, had the Stone in question, 'Old Bill' Wyman, not been about to plight his troth to former wild child Mandy Smith. As reported in Stephanie's last appearance (Volume 23, No 12), she got no *Satisfaction* at all from her brief liaison with Bill. After getting the *Come On* from *Je Suis un Grandpa* Wyman, the 52-year old bass player told the cuddly 37-24-37 inch beauty *You Better Move On* and showed her the door. Fortunately the door in question led to Wyman's bedroom, but the couple still never got past the cuddling and fondling stage: 'I was naked and I couldn't believe he didn't want to go any further. He was a real gentleman.' she told the *News of the World*.

Apart from her failed fling with Mr Wyman, Stephanie has been doing very well for herself. Her confidence has gone up in leaps and bounds since her glamour modelling debut in *Mayfair*, way back in February 1988. She has now appeared in a number of men's magazines and has a following every bit as ardent as the 'wrinkly rocker's' own. So, when it comes to Wild Bill's hiccups we feel we can have but a little *Sympathy for the Old Devil*. Obviously the imminent prospect of going *Under the Thumb* has made the former nine times a day wildman turn over a new leaf.

MAYFAIR Classic

If there's a name guaranteed to bring even more moisture to the rheumy eyes of veteran snapper Steve Colby it's that of the glorious Stephanie Bews! If we had to bet we'd say he held a bit of a torch for her back in the day, and this set from ace lenswoman Joanie Allum shows all too clearly that he couldn't be blamed! But as for the story of Bill Wyman being a real gentleman, well that does seem a wee bit far fetched!

Holly

Freshly freed of the shackles of European regulations and red tape, we're very much looking forward to putting together the next issue, which'll feature only the sorts of girls we'd like to see in the nip. With babes like Holly Gibbons and newcomer Rhiannon Lucie in the mix, we reckon those naysayers will have to swallow their words, because it's definitely not all doom and gloom after the referendum! Yes, the pound in your pocket might have shrunk a bit, but something else is sure to grow!
